

Wyckoff Heights Medical Center goes live with Sunrise EHR

December 10, 2019

Sunrise™ Acute Care, Sunrise™ Revenue Cycle, Sunrise™ Radiology, Sunrise™ HIM Sunrise™ Pharmacy now deployed, as well Allscripts patient engagement platform, FollowMyHealth®; extends and expands Managed Services engagement

CHICAGO--(BUSINESS WIRE)--Dec. 10, 2019-- Allscripts Healthcare Solutions (NASDAQ: MDRX) today announced that client Wyckoff Heights Medical Center is now live on its Sunrise™ platform, which includes Sunrise™ Acute Care, Sunrise Revenue Cycle, Sunrise™ Radiology, Sunrise™ HIM and Sunrise™ Pharmacy as well as Allscripts patient engagement platform, FollowMyHealth®.

Wyckoff Heights Medical Center provides care with kindness. More than 250,000 patient visits for acute, emergency, and surgical services and ambulatory care at locations on the border of Brooklyn and Queens, New York. The organization uses the integrated suite of Allscripts Sunrise solutions which supports the transition to value-based care and to improve clinical decision support. The medical center also recently purchased CarePort™, Allscripts care coordination suite of solutions to help ensure smooth transitions of care across the entire care continuum.

"We selected the Sunrise comprehensive platform to help us drive better care delivery while promoting high levels of patient satisfaction and lowered clinician burnout," says Ramon Rodriguez, President and CEO of Wyckoff Heights Medical Center. "Our partnership with Allscripts has proved successful and we look forward to seeing results across our entire system. No transition between platforms is without challenges and ours have benefited from the commitment of our Wyckoff staff and the excellent support of the Allscripts crew of onsite advisors. As a customer, I am very satisfied with Allscripts commitment to our needs for customization and on-site learning."

Used by many of the leading hospitals and health systems in the world, Sunrise is a highly configurable solution that offers clinician-specific workflows that help drive adoption of clinical decision support that leads to improved outcomes. Wyckoff Heights Medical Center is Allscripts first client in New York State to go live on the entire Sunrise™ Financial Manager platform, which will enable the organization to meet the applicable New York state regulatory requirements.

"With the Sunrise suite of solutions, Wyckoff Heights Medical Center has put the organization, its clinicians and, most importantly, its patients in a great position for significantly improved outcomes," CEO Paul Black says. "Our partnership will continue to yield great results for the Wyckoff Heights community."
