Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

As previously disclosed, on February 28, 2014, Allscripts Healthcare Solutions, Inc. (the “Company”) entered into an amendment (the “February 2014 Amendment”) to the Performance-Based Restricted Stock Unit Award Agreement (the “2012 PSU Award”), dated December 24, 2012, with Paul M. Black, President and Chief Executive Officer of the Company. The February 2014 Amendment modified the manner in which the stock price as of the beginning of a particular measurement period would be determined for purposes of calculating “Total Shareholder Return” under the 2012 PSU Award. Furthermore, as previously disclosed, on March 14, 2014, Mr. Black was granted 110,407 Performance-Based Restricted Stock Units of the Company (the “Make-up PSU Grant”). The Make-up PSU Grant was intended to compensate Mr. Black for the unintended result of calculating “Total Shareholder Return” under the 2012 PSU Award using a measurement period that commenced prior to Mr. Black’s appointment as President and Chief Executive Officer of the Company.

In outreach discussions this year with many of the Company’s largest shareholders, the Company received feedback that the February 2014 Amendment and the Make-up PSU Grant were confusing and potentially distracting to the Company’s Board of Directors, shareholders and management. As a result, and to avoid any future confusion or distraction, Mr. Black unilaterally volunteered to unwind the February 2014 Amendment and forfeit the 110,407 Performance-Based Restricted Stock Units underlying the Make-up PSU Grant. His decision has the appreciation and full support of the Company’s Board of Directors.

Consequently, on December 23, 2014, the Company and Mr. Black entered into a second amendment (the “December 2014 Amendment”) to the 2012 PSU Award, which has the effect of unwinding the February 2014 Amendment and reverting to the original manner for which “Total Shareholder Return” will be calculated under the 2012 PSU Award. As a result, the stock price as of the beginning of a particular measurement period was increased, resulting in an increase in the difficulty level for achieving various “Total Shareholder Return” thresholds as compared to the applicable comparator group. A copy of the December 2014 Amendment is attached hereto as Exhibit 99.1 and is incorporated by reference herein, and the description of the December 2014 Amendment contained herein is qualified in its entirety by the terms of such amendment. Additionally, on December 23, 2014, the Company and Mr. Black entered into an agreement to cancel the Make-up PSU Grant, effective as of such date.
